## **Perennials<sup>®</sup> Taps into the Wine Country with *UNCORKED***

JANUARY 2014 - Perennials<sup>®</sup> high performance fabrics, the preferred choice of leading designers, pops the top with ***UNCORKED***. This new fabric collection connects with the casual wine country experience with reversible woven jacquards, linen-like textures, chenilles and velvets in serene new colorways.

Inspired from vineyards around the world, from Napa to Tuscany and all in between, ***UNCORKED*** introduces eight free-flowing designs to the Perennials collection. The five reversible jacquards are: ***Perfect Setting***, a vintage still life montage; ***Leaf Me to It***, a contemporary botanical motif; ***Basket Case***, a nod towards outdoor picnics; ***Shutter to Think***, inspired by plantation shutters and ***Fiddlesticks***, an abstract foliage composition. ***Rough Copy*** is a new linen-like texture with striae color variation, akin to the quality of Rough 'n Rowdy (a Perennials favorite). Mimicking an aged handspun silk is the chenille ***Old Hand***, and the velvet in the collection, ***Swanky***, has an aged appearance and offers a luxurious drape and hand.

*Perfect Setting – Celery; Leaf Me to It – Denim; Shutter to Think – Lavender*

The ***UNCORKED*** collection brings 20 new colorways, including Celery, Olive, Wheat, Lavender, Dolphin, Balsamic, Quartz, Oatmeal, Mesa, Silver Lining, Ash, Cactus, Sage, White Sands, Fossil, Violet, Tumbleweed, Frost, Bronze and Zinc.

**FOR IMMEDIATE RELEASE**

*Fiddlesticks – Balsamic; Basket Case – Tutti Frutti; Swanky – Ash*

*Old Hand – White Sands; Rough Copy - Mesa*

Perennials fabrics represent a creative and technological advance in the utilization of solution-dyed acrylic. All Perennials fabrics are independently lab tested and certified so they comply with or exceed industry standards, including resistance to soil, water, UV radiation, tearing and abrasion. This collection features Perennials *Nano Seal™* finish for extra protection against the elements. More than just a coating, Perennials *Nano Seal™* is molecularly bonded with the fibers providing long-lasting protection even after repeated washings. Because Perennials fibers are solution-dyed, the color permeates to the core, enabling all Perennials fabrics to be guaranteed by a three year colorfastness warranty.
